Gettysburg-Bucknell Frosh To Play Here In "Battlefield Bowl" As Firemen's Benefit

The Gettysburg-Bucknell Freshmen football game will be played the night of November 5 as a benefit for the Gettysburg Fire Department, according to an announcement at Wednesday evening's meeting of the local fire company held at the former OCC camp on the battlefield.

Paul Anzenberger, chairman of the committee selected to determine the possibility of a "Battlefield Bowl" game to raise funds for the fire company, said approval had been given by both Gettysburg College and Bucknell for the game, and that Gettysburg school officials had granted use of the Gettysburg High School football field for the contest.

Bucknell and Gettysburg Freshmen had originally been scheduled to play the afternoon of November 5 at Gettysburg College, Anzenberger said. For the benefit, the game was moved to evening and will be played under the lights at the high school field.

Chief Bartlett Honored
Anzenberger's committee was continued to complete arrangements for the affair and will be augmented to complete the plans for the event. Tickets for the contest will be placed in the hands of the firemen at their October meeting. Firemen, seeking to raise funds to pay off the balance due on their new rescue truck, hope to have a large sale of tickets for the contest.

Gettysburg Chief of Police Jack Bartlett was named as an honorary member of the fire department at Wednesday's meeting, with many of the firemen pointing out a number of things he had done to assist the company.

Resignation of William Bigham as a member of the company because of plans to move from the borough was accepted. The resignation brings to two the number of vacancies in the company and the first two names on the list of persons who have applied for membership will be turned over to the membership committee to report at the next meeting. DEFENSE DEPT. IS ASKED ABOUT BERCHTESGADEN IN PENNA. HILLS

WAYNESBORO, Pa. (AP) — The Defense Department was asked today if a "Berchtesgaden for high defense officials" similar to Hitler's one-time hideout in Germany is being built under the Blue Ridge Mountains near the Pennsylvania-Maryland border.

Alfred Holt of Baltimore, who is suing the government for land seized for the hush-hush "underground Pentagon" asked the question in a letter addressed, to Charles E. Wilson, secretary of defense, at Washington. He sent a copy of the letter to the Waynesboro Record-Herald, which published it today.

Since construction was started two years ago in the Ravenrock area about eight miles east of Waynesboro, the Army has said only that it is building a "supplemental communications center" there.

Why Spend 100 Millions?
"Are we to look upon this installation simply as a Berchtesgaden for high defense officials," Holt asked in a copy of the letter received by the Waynesboro newspaper.

"May we ask why a reported 100 million dollars has been expended for a refuge for a few high defense officials while Congress lags in financing the states in whole or part for public shelters?"

Holt refused the government's offer of \$28,000 for 280 acres of his land which was taken over for the installation. He has filed suit in Federal District Court for a higher price, claiming that 67 million dollars was a more realistic figure for his property. His suit contained a mention of uranium, a mineral used in atomic reactions.

U. S. District Judge Frederick V. Follmer at Lewisburg, Pa., ruled recently that the government was within its rights in refusing for security reasons to disclose to Holt what minerals, if any, were found in tunnelling through the mountains.

Here And There News Collected At Random

Because of Pennsylvania's large number of broad and swift running rivers, our State has always been notable for the number of its bridges, many of which were pioneer examples of engineering science. In early days both Philadelphia and Pittsburgh, each at the junction of two extensive river systems, presented serious problems of transportation. What was perhaps the most dramatic solution of those problems was presented by the wire suspension bridge at Fairmount in Philadelphia, opened to the public in January 1842. It crossed the Schuylkill at a point just below the historic water works of that city and was probably the State Planning Board of the Pennsylvania Department of Commerce points out, the first suspension bridge ever erected for vehicular traffic on our continent. It was not replaced by the present Spring

NEW SOUVENIR IS PUBLISHED

A new four color pictorial souvenir of Gettysburg has just been published by N. A. Meligakes, proprietor of the Bookmart and the Plaza Restaurant.

Drawn by Barclay Rubincam approximately 16 by 21 inches in size, it is printed in black, red, blue and gold. The center portion presents a road map of the battlefield with all sites of interest clearly indicated. The right margin features six 3 by 3 inch sketches of the points indicated on the map. Since these are related to the North the top sketch lists the states' fighting in the Northern army. The bottom print is a likeness of General Meade. The left margin presents a similar presentation of Southern material with a picture of General Lee.

Featured in the Northern line-up are Meade's headquarters, the National Cemetery, Spangler's Spring, and the Jennie Wade House. Just inside the lower right margin are prints of the Corby statue and the Pennsylvania monument.

The left margin pictures the Lee museum, the High Water mark, Devil's Den, and the Wills House. Inside the margin are the Burns statue and the Virginia Memorial. The top center portion of the chart portrays the Peace Memorial between the unfurled flags of the Union and Confederacy. In the bottom center Lincoln's Gettysburg Address is inscribed. The New York State monument and the North Carolina monument complete the chart.

PRISON QUIET AFTER RIOTING

WALLA WALLA, Wash. (AP)—Quiet settled over the Washington State Penitentiary today and a prison official said "all appears peaceful" after last night's damaging riot and fire.

Deputy Warden Al Rembold said 800 inmates who took part in a noisy uprising that followed a half billion dollar prison fire remained in their cells and "no fresh trouble is anticipated."

Guards, who broke up last night's disorders by spraying prisoners' quarters with tear gas, continued to patrol prison walls and buildings. They had the help of state patrol and sheriff's officers who hurried to the prison when the trouble began last night.

The guards were credited with keeping the outbreak to a minimum. They quickly herded prisoners into their cells when 14 inmates began acting up at evening meal time. Dishes were thrown and chairs smashed as a group of "young but tough" men began misbehaving.

WANTS DATA ON ARMY DOCUMENT ABOUT RUSSIA

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) has demanded that the Pentagon explain, by nightfall if possible, how the Army came to send out to 37 of its commands last year what the senator termed "clearcut Communist propaganda."

"If you read this and believed it, you would move to Russia," McCarthy told reporters, pointing to photographic copies of 70 pages of a document he said was prepared for an indoctrination course for intelligence officers and others.

There was no immediate comment from the Defense Department.

"Illuminate The Russian"

A preamble, included in the portions which McCarthy made public, said the purpose of the study was "to develop an understanding of the Soviet people which would be militarily useful in case of war," and it added: "The problem is not to demonstrate the political injustice and economic tyranny of the Bolshevik government but to illuminate the Russian in his existing habitat."

McCarthy, in other activities of his Senate Investigations Subcommittee, said he had:

1. Called two witnesses for closed session questioning today about what McCarthy has termed Communist infiltration of Army civilian employe ranks. The witnesses' names were not disclosed in advance.

Probe Army Promotion
2. Ordered an inquiry into the promotion of an Army major, not named, who had been convicted in a case involving "unusual morals." McCarthy said he had called on the Army to name, and produce for questioning, the author of the secret document intended for use in the training of intelligence officers. The document itself said 100 copies were distributed in January 1952, mostly in the Far East.

It bore a caption: "Psychological and Cultural Traits of Soviet Siberia." The preamble was signed, "R. S. Bratton, colonel, general staff with troops duty." The author of the bulk of the document was not identified.

Accuses Wrong Men Of Stealing Fish

POPLAR BLUFF, Mo. (AP)—The native was angry when he saw three men fiddling around with his home-made fish trap on the St. Francis river recently.

But he got hotter than a blister when he got close enough to see they were actually breaking up the illegal contraption. He accused them of stealing his fish, too.

The three conservation agents silently took him before the magistrate. And he lectured the men about illegal fish trapping. Then the judge charged him \$12.50 for the lesson.

Public Officials Reject Pay Raise

JERUSALEM (Israel) (AP)—Israeli Parliament members of the Socialdemocratic Labour party "Mapai" had it their own way when collecting their allowance for the past month. When the cashier paid them fifty-four Israeli pounds more than usual because the House Committee had approved an increase in their representation fees and travel expenses, the Mapai deputies said "No" and returned the money. The State budget is big enough anyhow, they thought.

Deputies of other factions disagreed with the gesture. They felt entitled to accept the raise.

Army Dismisses Indicted Fragala

WASHINGTON (AP)—The Army today suspended Louis Fragala, an \$8,500-a-year engineering supervisor at Ft. Eustis, Va., who was indicted over 14 months ago for perjury and conspiracy to defraud the government.

The announcement said Fragala was suspended because of the indictment but gave no reason why he was kept on the payroll for so long after it was returned by a federal grand jury at Brooklyn, N. Y., on June 30, 1952.

It was emphasized that Fragala was suspended because "it is considered to be in the best interest of the government," and not for security reasons.

The Army said that, since his indictment, action has been taken to bar Fragala from getting secret and top secret information for which he was once cleared.

To Parade At Dillsburg

Fire Chief Donald Jacobs urged the firemen to turn out in large numbers Saturday for the final parade in which the firemen will participate this year.

The parade will be held at Dillsburg in connection with the annual convention of the Cumberland County Firemen's Association held there. The local firemen will leave with two pieces of apparatus from the fire engine house here at 1:30 o'clock.

Plans to assist the Gettysburg Community softball league in the removal of the lights from Recreation Field in October were approved by the firemen. Reports presented at the meeting indicated that the softball group plans to permit the lights to remain for a touch football league use until about the end of October. Then the lights will be removed until next spring because, it was reported "too much damage, particularly from kids with air rifles or 22s, occurs during the winter months when nobody is at Recreation Field."

Supervisors Reject Plan

Assistant Fire Chief Donald Staub reported that he had contacted the Straban Twp. supervisors on a plan approved last month in which the supervisors would be asked to repair and maintain the pond on the G. Ed. Taughnbaugh farm for fire protection in Hunterstown. Staub said Mr. Taughnbaugh had agreed to deed the pond area to the township for \$1, but the supervisors felt that they could not legally make outlays to provide for renovation and maintenance of the pond.

Reports at the meeting however indicated that residents of the Hunterstown area themselves had banded together to repair the pond and that it now has about three feet of water in it.

Both the 1953 and 1954 Battle Anniversary committees reported, Assistant Fire Chief Donald

McSherry, chairman of the 1953 committee, said he plans to have a final report on the proceeds from the 1953 carnival and observance ready by next month. Present indications are that the net proceeds from the event will be about \$7,000.

The firemen approved a plan to provide funds for construction of picnic tables and fireplaces and other improvements at recreation field up to \$200 in appreciation of the use of the field for the carnival.

Select Delegates

A report from Raymond Menges, chairman of the 1954 event, was read showing the committee has already contacted ferris wheel operators and others to appear here for the carnival program.

Francis Smith was named as delegate from the local fire company to the state firemen's convention to be held starting October 3 at Reading. John Codori was elected alternate delegate.

Following much discussion on rules regarding the attendance necessary for a fireman to continue as such, a committee comprising C. William Zhea, chairman, Glenn Weishaar, Frank Linn, Edward Straub, Richard Cole, Ray Culp and Edward Bowling was appointed to consider changes in the by-laws regarding attendance and report back at the next meeting.

Order 24 Badges

Purchase of 24 badges to be given to fire company members who have not received such badges was authorized.

A letter was read from the Adams County Child Welfare Services thanking the firemen for participating in the search for a lost child in South Mountains.

Charles Baker was granted a three-month leave of absence. Henry T. Bream was introduced as a guest. Named to the duty roster for the October meeting were David Baker, Donald Baker, John Basehore, Raymond Bisbing and Charles Bollinger.

The company reported a donation of \$40 from Roy M. Williams, a paint contractor, for use of the ladder truck in painting a church steeple at Hampton last month.

TWENTY YEARS AGO
Four Doctors Are Licensed: Four young physicians, all well known in Gettysburg and Adams county, have been notified that they have successfully passed the examination of the state board of medical education and licensure and may now practice medicine.

They are Dr. Paul A. Clutz, Dr. Raymond Oyler, Dr. Bruce N. Wolff and Dr. Roy Wetzel.

By coincidence, all four physicians served their internships at the Harrisburg hospital.

Milk, Cream Prices Rise: Four Gettysburg dairies on Monday announced an increase in the price of milk and cream, effective Tuesday morning, in compliance with the United States department of agriculture's recent statement. The new prices are:

Bottled milk, 11 cents a quart and seven cents a pint. Bottled cream, single cream 40 cents a quart, 20 cents a pint and 13 cents a half pint. Double cream, 80 cents a quart, 40 cents a pint and 25 cents a half pint. The dairies announcing are new are: Gettysburg Ice and Storage, E. W. Weaver, B. W. Redding and Crystal Springs Dairy.

Enrollment in Local Schools Hits New Peak: School bells Tuesday morning recalled Gettysburg public and parochial school children from vacation, work and play. The total enrollment here is 1,475.

With 1,229 high school and grade pupils enrolled and at least 20 more expected Superintendent Keefeauver said the enrollment this year is the highest in the history of the Gettysburg public schools.

At the high school where 473 pupils are enrolled, the enrollment is the largest ever. The cafeteria dining room is now being used as a study hall because additional space is needed for such a room.

Gettysburg's public school teachers have agreed to support the NRA one hundred per cent, Superintendent Keefeauver said.

Two hundred and forty six pupils were enrolled at St. Francis Xavier parochial school. Of this number, 32 were beginners. The enrollment there is about the same as last year.

Showmaker-Boyd: Miss Margaret Virginia Boyd and John C. Showmaker, both of Gettysburg, were married Monday afternoon at 3 o'clock in the parsonage of Grace Lutheran Church, Westminster. The ceremony was performed by the Rev. Paul W. Quay. They were attended by Mr. and Mrs. James Corbin.

Markle-Rang: Miss Sarah Markle, daughter of Mr. and Mrs. Benjamin Markle, Hanover, and Joseph Rang, son of Mr. and Mrs. Rang, Littlestown, were married at a nuptial mass at 7 a.m. in St. Joseph's Catholic Church. The ceremony was performed by the Rev. Joseph Smarsh, assistant rector. They were attended by Miss Grace Markle and James Rang.

Town for NRA 100 Per Cent: In announcing the list of the last business places in Gettysburg and vicinity to come under the spreading wings of the NRA Blue Eagle, Postmaster Williams extended his thanks publicly "for the cooperation without which the local campaign could not have been a success."

More than 300 business places in Gettysburg and vicinity signed certificates of compliance and received their Blue Eagle insignia.

According to Mr. Williams, business places here have signed up 100 per cent under the Blue Eagle, which, he added, was a record for the town of this size.

Physicians Are Guests of Doctor Dickson: Dr. J. McCrea Dickson entertained members of the Adams county medical society and additional guests at his summer home, The Old Mill, at Knoxlyn, Thursday evening. A buffet supper was served at 5 o'clock.

Physicians from Gettysburg in attendance included Drs. Henry Stewart, H. M. Hartman, Edgar A. Miller, W. S. Mountain, Roy W. Gifford, C. G. Crist and Bruce Wolff.

Other guests included Doctors Wolff, Wetzel and Boyer, Oyler, Jones, Wooster, Harris, Elderdice, Henderson, Crouse, Kuhlman, Miller, Jordan, T. C. Miller, Elkin, Kelley, Nebinger, Bireley, Kadel, McConkey, Lyons, Rosenberg and

GROWING UP
He dresses with the greatest care. And uses something for his hair—A thought for self he didn't show Or even think a year ago—And all these preparations mean A pretty girl that boy has seen.

When he has washed his face and hands Before the mirror now he stands And views himself, front, back and side—

His first display of personal pride— And that is quite enough to state That boy is dressing for a date.

Time was he merely thought of girls As creatures odd with frocks and curls. And if he noticed them at all. It was to say: "They can't play ball."

But he believed to be back then, The best companions, boys and men.

His mother thinks the difference strange. But every boy his mind must change. He knows his first idea was wrong.

Some pretty girl has come along. Now, shining like a silver cup, He's growing up and dressing up.

Today's Talk
By GEORGE MATTHEW ADAMS

THE POISON OF ANGER
I once read in my newspaper of a woman in Albany, New York, who became so angry at her husband that, after she had vent her spleen against him, she dropped dead!

There are few poisons so effective as that of anger. The gall bladder fligs a dance, I have read, when it is on, and the whole human organism is affected to a marked degree as an anger holds sway. Anger never did a good turn—never.

It is all very well for us to get indignant at times, and even to "get mad" at abuses and wrongs, but anger is a different thing. Anger is something personal. Control it and you will never be sorry. No matter what the occasion anger is not the tool to be used! Its whole story is one of tragedy and regret.

Anger tear things to shreds. There is nothing constructive about it. It's like a typhoon or cyclone—no reason, no sense to it at all. Laden with fear, a bully on a tear! And always, after anger has been spent, remorse and sorrow are left in its wake that are never forgotten.

Reactions take place at once in the human body the moment anger is set loose. Nothing then is normal. Good sense takes a holiday. It would be better if it did not! Little things, of small account in themselves usually furnish the fuel to start the blaze of anger. Self-control, and a dash of understanding, could easily prevent what later becomes one of those endless regrets.

I like those words "slow to wrath." If we followed that out we would never know the devastating power of anger set loose. The famous physician, Dr. Crile of Cleveland, Ohio, once stated that a fit of anger left its imprint upon the brain permanently injuring its delicate and magical cells.

Tomorrow Mr. Adams will talk on the subject: "Forward—Not Backward."

EISENHOWER AT SERVICES FOR CHIEF JUSTICE

WASHINGTON (AP)—The humble and the great offered a last mournful tribute today to Fred M. Vinson who was born of modest origin and

died as chief justice of the United States.

From the national capital and the country over they assembled for funeral services in the great choir of Washington (Episcopal) Cathedral.

Special places were reserved for President Eisenhower, former President Truman, Supreme Court justices, Cabinet members, diplomats. There was space, too, for just plain people come to honor a distinguished American.

Vinson died of a heart attack early Tuesday morning. He was 63.

For nearly three decades this friendly man had served his country. As a congressman from Kentucky, as secretary of the Treasury and in other high positions in the executive branch of the government, and finally for seven years as chief justice.

York Fair Opens Tuesday with "Big Name" Features

Still the greatest entertainment bargain after more than a century of providing top notch thrills and pleasure for county fair patrons, the York Interstate Fair will open its gates with another all-star array of attractions for the week, beginning next Tuesday, September 15th, and continuing daily afternoon and night through Saturday, September 19th.

Heading the group of outstanding artists which Samuel S. Lewis, President and manager of the fair has booked, are two of the current big "names" in the amusement field, Vaughn Monroe, Les Paul and Mary Ford.

The added feature on Tuesday afternoon and night, School Children's Day, will be Ferko's String Band in their colorful Musical Gem costumes which scored such a big hit in this year's Mummer's parade at Philadelphia.

ALL STAR FEATURES
Vaughn Monroe who will appear with the Ray McKinley's popular orchestra on Wednesday afternoon and night, recently disbanded his own orchestra in answer to pleas for his appearance as a "single." Les Paul and his wife, Mary Ford, whose distinctive recordings have sold more than 6,000,000 copies will be heard both Thursday afternoon and evening.

The Brazilian bombshell, Carmen Miranda of the fruit and flower garden hat fame, and Mickey Rooney, pint-sized Hollywood and TV comedian will provide many laugh-filled moments on Friday afternoon and evening.

BROADWAY REVUE NIGHTLY
Every afternoon and night in front of the grandstand the world's most outstanding vaudeville acts will be presented. And the highlight of each evening will be Frank Wirth's spectacular Broadway REVUE "Gags 'N' Gals" on the mammoth all-weather covered stage.

Harness and running races will be presented every afternoon Tuesday through Friday. The always popular James E. Strates Shows will provide other diversion for pleasure seekers on the mile-long macadamized midway.

MIDGET AUTO RACING
Midget auto racing and running races will be featured Saturday afternoon. On Saturday evening only, an action-packed auto thrill show is scheduled by the most outstanding daredevils in America.

NO INCREASED PRICES
The same low economical prices which have prevailed for so many years will again be in effect for this year's fair. This in spite of rising costs and an ever increasing demand on part of the public for bigger and better attractions.

Grandstand seats are available at \$1.20, \$1.80 and \$2.40 tax included and may be obtained at the fair office, or by telephone, York 8-2033 and 8-2086.

Make your plans now to take the family and enjoy the big Blue Ribbon Fair of the East. York Interstate Fair is nationally known for its fine entertainment, exhibits and hospitality. Reserve your Grandstand Seats Now for the season's biggest event. Adv.

Indians Edge Bosox On Rosen's 40th Homer; Yanks Beat Chisox; Brooks Near Flag As Braves Lose

By JOE REICHLER
AP Sports Writer

Alas, those poor Indians! They keep winning and winning and where do they wind up? In second place.

Twenty victories in the last 23 games. That's Cleveland's remarkable record during the past three weeks. But today, with the season's end a little over two weeks away, they still trail the pennant-bound New York Yankees by nine games.

That's the way it was last year. Too late and too little. The Indians won 18 of their last 21 games, but in the same period the red-hot Yanks gained half a game on them. They finished two games behind the world champions. It won't be that close this time.

Brooks Near Pennant

The Yankees need only a combination of nine victories and—or Cleveland losses to clinch their record-breaking fifth straight championship following last night's 9-3 victory over the Chicago White Sox. The Indians boosted their second-place margin to four games over the White Sox, edging out the Boston Red Sox 2-1.

Brooklyn's National League-leading Dodgers reduced their "magic number" to two for mathematical elimination of Milwaukee, shutting out the Cincinnati Redlegs 6-0 while Philadelphia was blanking the Braves 2-0.

The New York Giants dropped St. Louis into a tie for third place, defeating the Cards 8-3. Chicago's Cubs won their sixth straight, defeating the Pittsburgh Pirates 8-7 on Ralph Kiner's 31st home run with two mates aboard in the ninth inning.

Washington Splits

The two tie-night double-headers in the American League ended in splits. Mickey Vernon's double scored Eddie Yost in the 12th inning to give Washington a 2-1 victory over St. Louis after rookie Don Larsen had pitched the Browns to a 3-0 triumph in the opener. Marion Egan hurled a four-hitter and Pete Suder batted in three runs with a triple and homer to give the Philadelphia Athletics a 7-1 victory after Ralph Branca had pitched the Tigers to an 8-2 opening game triumph.

Al Rosen's 40th homer was the big blow in the Indians' success. The slugging third baseman connected with a man on base in the eighth inning to enable Mike Garcia to gain the decision over young Bill Henry. Garcia blanked Ted Williams for the first time since the slugger started in left field for the Red Sox. Ted had hit safely in 15 previous games.

Billy Pierce tried to become the first pitcher since Walter Johnson in 1908 to blank the Yankees three times in succession and failed—just as 12 others did before him. The White Sox southpaw opened the game with 19 scoreless innings against the Yanks and added four more. Then the Yankee Stadium fell on him. Seven hits and seven runs were recorded against him before he was mercifully removed from the mound—without getting a single batter out in the fifth. Whitey Ford hurled a five-hitter for his 17th triumph.

Saphn Slings Again

Brooklyn's missing crew hit two more home runs, Nos. 193 and 194. Pee Wee Reese hit a grand slammer and Duke Snider cracked his 38th. Bob Milliken, replacing the injured Johnny Podres with two out and two on in the first, pitched hitless and runless ball for 8-13 innings to gain his seventh victory.

Warren Saphn failed for the 20th straight time to notch his 20th victory. The Milwaukee southpaw hooked up in a scoreless duel with Philadelphia's Bob Miller but weakened in the ninth when Stan Lopata crashed a home run with a mate aboard to decide the battle. Miller had a three-hitter.

Don Mueller cracked four hits and Bobby Hoffman batted in four runs to help the Giants' Dave Koslo gain the decision over the Cards' Gerry Staley.

Gonsalves Beats Davis On Decision

OAKLAND, Calif. (AP)—Sharp-shooting Johnny Gonsalves, leading contender for the world lightweight championship, was a step closer to a title bout today. The slender Oakland boxer retained his role of No. 1 challenger with a 10-round unanimous decision over fifth-ranked Henry Davis of Los Angeles last night.

The last fight was televised nationally from Oakland auditorium. The rivals, who now have two victories apiece over each other, were battling for a possible crack at the crown worn by Jimmy Carter.

Gonsalves out-boxed Davis to pile up a winning margin. He scored with left hooks and counter-punched effectively with rights to the jaw.

WEST CHESTER MEETS BULLETS IN DRILL HERE

Coach John Yovicsin's Gettysburg Bullets, priming for their September 26 opener against the University of Delaware, will wind up two weeks of drills Saturday by entertaining West Chester State Teachers College in the first of three pre-season inter-squad scrimmages.

In "other extra-schedule battles, the Bullets will meet Shippensburg State Teachers College, September 16, and Johns Hopkins University, September 19.

Frank Gagliardi, sophomore candidate for the quarterback job left vacant by the graduation of Wayneboro's Berkley Ward, has flashed fine form in recent intra-squad scrimmages, but will get his first stiff test in the West Chester clash. A 5-10, 180-pounder from Long Branch, N. J., Gagliardi directed the 1952 freshman team to an undefeated season.

Katz Shows Promise

Another pleasant surprise in early practice has been the offensive work of fullback Dave Katz, a 5-10, 170-pound senior from State College, Pa. Used mostly as a defensive line-backer last year, Katz is giving Bob Eppelman, the 1952 offensive fullback, a rugged battle for the starting job. Eppelman, a 165-pound junior from Gloucester City, N. J., led the team in rushing last year by piling up 676 yards in nine games. Jim McGee, a 150-pound junior from Lansdowne, Pa., and Ernie Paliszewski, a 165-pound sophomore from Johnstown, are giving Phoenixville's Joe Ujohai, Williamsport's Al Yost, and Wm. Cumberland's Bill Yocum, stiff competition for the starting halfback assignments.

Yovicsin's problems at the center position, where he had no returning lettermen, have been eased considerably by the showing of Hummelstown's Sheldon Yinst, a 6-2, 205-pound sophomore transfer from Dartmouth.

High School Football Teams Kick Off 1953 Season Friday Primed For Rugged Season

By DICK HOENIG
HARRISBURG (AP)—Schoolboy football teams trot out onto gridirons across Pennsylvania tomorrow night for the kickoff of the 1953 campaign.

Primed for action on the first playing date allowed by the Pennsylvania Interscholastic Athletic Assn. are about two-thirds of the state's high school eleven. Many eastern and central schools hold off another week before their first game and then continue playing through Thanksgiving Day.

Four of the five major schools finishing the 1952 regular season without a defeat or tie are listed on the opening slate. And initial league contests are scheduled in four of the state's six top conferences.

621 Schools Involved

The new season finds 621 schools, one less than last year, going to the post. Gilberton and Dickinson City of the East Penn Conference, and Howard, Centre County, have dropped the sport for the year. Saxton and East Brady in Western Pennsylvania are playing this year.

And the three-month campaign is due to produce at least one big first—what is believed the initial telecast of a regular season high school grid contest in the state. A new Scantron video station (WTVW-TV) has arranged to televise at least five Scantron area games from Memorial Stadium, Scantron, beginning with the Taylor-Dunmore game Oct. 30.

Mark Funk, PIAA executive director, says he has no knowledge of any regular season high school game ever being put on the TV screen before.

Dubois Slight Underdog

One of last year's all-winning eleven, Dubois of the Western Conference, finds itself a slight underdog tomorrow. The Beavers have only three lettermen back from the 1952 squad that won nine in a row and will find the going tough against Altoona.

Altoona, the '52 Class AA champion of the Pittsburgh area, Western Pennsylvania Interscholastic Athletic League with 11 straight victories, is favored over Erie Prep. Washington, loser only.

Littlestown Gridders Host To Cannors Friday Evening; Delone To Play At Hanover

In addition to the local GHS-Westminster football game, three other county high school teams will engage in their initial football games Friday night.

Coach Gene Haas will take his Biglerville High School outfit to Littlestown to tangle with Clay Evans' Littlestown Thunderbolts at 8 o'clock. At the same hour Delone Catholic of McSherrystown collides with its arch enemy, Hanover, on the Nighthawks' field. Both contests are expected to draw record attendances.

Eight seniors are expected to be in the opening lineup for Biglerville, according to Coach Haas. They include Paul Harman and Don Kuhn, tackles; Carr Marks and Dave Harman, guards; Maurice Pittner, center; Wayne Guise, quarterback; Bill Decker, halfback, and Burnell Dehoff, fullback. There is a possibility that Bill Bergensmith, a junior may replace Dave Harman.

Rounding out the starters will be Gene Sheaffer, sophomore, and Bill Shaffer, junior, ends, and Lloyd Naylor, junior, halfback.

First Line Reserves
First line replacements will include Bryant Roe, halfback, freshman; Jim May, fullback, freshman; Wallace Rice, quarterback, sophomore, and Keith Starnier, halfback, a senior; Charles Harper tackle, senior; Ken Pitzer, brother of Maurice, tackle, sophomore, and Don Trostle, center, a sophomore.

The Cannors are definitely short on manpower this season but Coach Haas is hopeful for a successful season. Dean Starry, a 200-pound senior tackle, is still sidelined following an appendectomy two weeks ago. Maurice Pitzer is the heaviest man on the squad at 220, having pined down from 250 a year ago.

Ten lettermen are listed for action for Littlestown, it was revealed today by Coach Clay Evans.

The veterans are: Ends, Jay Shovaker and Dean Selby; tackles, Tom Orndorff and David Bucher; guards, John Todd and James Bowers; quarterback, Dean Sell; halfbacks, Charles Hall and Elvin Chronister, and fullback, Donald Kump.

Non-letter winners scheduled for duty are Fred Busbey, end; Terry Brown and Donald Sell, tackles; Robert Orndorff, guard; Jim Sellman and Thomas Gouker, centers; George Snyder, quarterback; James

BIG MONEY FOR FISH, GAME

CHANDLER, Ariz. (AP)—Arizona sportsmen spent more than 16 million dollars in pursuit of game and fish during 1952. The check of their expenditures was made possible because Arizona now issues cards to sportsmen to be checked by grocers, gas station owners and others with whom the hunters and fishermen trade.

When Eddie Arcaro rode Jamie K to victory in the Leonard Richards Stakes recently, it was his first Delaware Park stakes win since he piloted Gallorette to first place in the 1945 Delaware Oaks.

READING TAKES FIRST GAME IN EASTERN SERIES

By THE ASSOCIATED PRESS

The Reading Indians have shown again—with the chips down—how they won the Eastern League's 1953 pennant.

The Indians rallied for three runs in the ninth inning to eke out a 4-3 victory over the Schenectady Blue Jays last night in the opening game of a semi-final playoff series for the Governors' Cup.

In the other opener of a best-of-seven series, the host Binghamton Triplets subdued the Albany Senators behind the five-hit pitching of Wally Burnette.

Hectic Ninth

The hectic ninth at Reading proved the downfall of the Jays' starting pitcher, Johnny Meyer, who struck out 14. "Murphy" Murszewski pitched the last inning for the Indians and gained the victory.

Most of the Jays' trouble came after two were out.

With two on base and one run in, firemen Ed Zinker relieved Meyer and walked Earl Averill Jr. to fill the bases. Bob Moscarello batted for Murszewski and drilled a single to right field scoring Joe Altobelli and Doug Hansen for the victory.

Norm Camp started on the mound for Reading, but was relieved by Jim Barnhardt in the sixth.

Sister Was Loser

Catcher Lou Berberet smashed a two-run homer in the fourth for Binghamton to east Burnette's way to victory. Dave Sisler, who pitched the first seven innings for Albany before he was lifted for Charley Haas, was the loser.

Al Van Alstyne of the Senators and Charley Frey of the winners tripled and Binghamton's Jim Engleman doubled. Frey's blow behind Jim Finigan's single gave Binghamton a 1-0 lead in the first inning.

The clubs meet again in the same parks tonight in the second games of their series.

OTTAWA'S TRICE WINS HONORS; TO JOIN ATHLETICS

MONTREAL (AP)—Robert Lee Trice, Philadelphia-bound Ottawa right-hander, today gained the double distinction of winning the International Baseball League's most valuable pitcher award as well as being voted the rookie of the year for 1953.

Vic Wall of the Springfield Union, president of the circuit's Baseball Writers Assn., announced the selection through the International League headquarters.

Trice, who has a 21-10 mound record, was first choice with 23 of 27 sports writers in the eight cities with International teams.

To Mound In '51

The 25-year-old Negro ran up a total of 211 points while Tom LaSorda, Montreal southpaw, was second with 162.

Voting for rookie honors was much closer. Trice received 10 of 25 votes to top Tom Burgess, a London, Ont., player with Rochester, who got six votes.

Trice, one-time steelworker from Weirton, W. Va., broke into pro ball as a third baseman with the Homestead Greys of the Negro National League in 1948 and became a pitcher only in 1951 when he joined Farnham, Que., of the Class C provincial league as an infielder-outfielder-pitcher.

Joins A's Today

In 1952, he joined the Philadelphia Athletics farm club, St. Hyacinthe, in the same loop, compiled a 16-3 record on the mound and allowed only 29 walks in 152 innings. He also pitched 88 games in the outfield, batted .297 and drove in 39 runs.

In 230 innings with the A's this year, he issued only 83 walks. A long ball hitter, he has four home runs and five doubles.

Trice joins the parent Philadelphia A's today and will pitch his first American League game against the St. Louis Browns Sunday.

Opposing Pitchers Toss No Hitters

MORGANTOWN, W. Va. (AP)—Pony League pitcher Charles Lonetti hurled a no-hitter here recently and lost the game in the 11th inning.

The victory went to pitcher Bill Barber, who also pitched a no-hitter game.

An error broke the ice of the extra-inning double no-hitter as one of Barber's mates walked, took second and third on an overthrow and then stole home for a 1-0 triumph.

Both pitchers were chosen to represent Morgantown in regional all-star competition in the Pony League for players from 12 to 15 years of age.

AGED MISSOURIAN BEATS DRIVING RAP

COLUMBIA, Mo. (AP)—Magistrate Temple H. Morgett didn't figure 77-year-old Emmett Maxwell would have much of a defense when he appeared on a charge of driving with an expired driver's license—but the farmer came through like a Philadelphia lawyer.

Maxwell said the license expired after he had celebrated two birthdays from the date of issue—June 30, 1950.

His next birthday, declared Maxwell, is Feb. 29, 1956.

Light GHS Team Will Meet Westminster Here Friday At 8 In First Grid Game

A light and somewhat inexperienced Gettysburg High School football team will raise the curtain to the 1953 football season here Friday evening when the Warriors meet the Westminster High Owls. The kickoff is slated for 8 o'clock.

Westminster will present a serious weight problem to the Warriors as its scheduled starting lineup will out-weight the local clan about 17 pounds per man.

Coaches Howard Shoemaker and Jack Cervino have been well pleased with the spirit and fire of their charges and are counting heavily on that to offset what opponents may have in poundage advantage.

Although the Warriors will have at least seven lettermen in the opening lineup, many will be making their initial starting appearances.

Probable Linemen

Stanton Musser, a regular from last year, and Pete Baughman are listed as the probable starters at the wings. Baughman saw a bit of action last year but did not have sufficient action for a letter. Musser was an outstanding wingman last year and is expected to be even better this season. Dave Thomas, a six-footer, will probably draw some defensive assignments at end.

The tackles will be manned by Jay Schmitt, biggest man on the squad and a letterman, and Bob Dillman, a newcomer. Earl Kuykendall, a transfer from New Oxford who has never played football before, is also listed for duty at that post.

A pair of brothers, Roger Crouse, senior, and Ted Crouse, junior, will pair up at guards. Both won letters last season. Sam Staley, up from last year's Junior High team, will probably miss the opener due to a minor injury.

Carl Westerdahl, a junior and letter-winner last season, is scheduled to start at center. John Hertz, a senior, will be his relief man.

The backfield will pack much more experience than the forward wall with three starters, George Penn, quarterback; Bobby Rohrbaugh, halfback, and Ronnie Miller, fullback, having won letters last season. Either Terry Culp or Charley Livingston will start at the other halfback spot. Livingston is also a letter winner.

The backfield will be light but possess a fair amount of speed.

Researchers Claim Cancer Germ Isolated; Find Serum

ROME (AP)—An American research group today pictured cancer as an infectious disease, like tuberculosis or syphilis, caused by a tiny organism.

Presenting a series of papers to the sixth International Congress of Microbiology, the group claimed to have isolated the micro-organism. Its members said they have obtained an anti-serum from bodies of animals infected with the disease and that the anti-serum weakens and sometimes destroys the cancer-causing organism.

Offer New Concept

The reports were read by Dr. Virginia Wuerthele-Case, Dr. Eleanor Alexander-Jackson, Dr. W. L. Smith, and Dr. G. A. Clark, all associated with the Presbyterian Hospital, Newark, N. J.

They said their study of cancer induced in white mice and guinea pigs "has led to the concept that cancer does not consist of a localized tumor alone."

Instead, they pictured it as generalized disease caused by an organism in the human blood stream. It is present in almost all animal life, including human beings, the group declared.

Generally it is held in check by immune bodies built up by the individual. Tumors and other signs of cancer appear when the balance is destroyed by irritations or other outside causes, the papers said.

The work is admittedly preliminary in nature, and some of the other scientists attending the session were inclined to look upon the report with considerable reserve.

The New Jersey doctors said the micro-organism has been isolated from blood and tumors of "hundreds" of cancer patients and animals according to the researchers. They did not define the exact methods.

Young Pole Who Bolted Reds Wants To Come To America

By ROBERT B. TUCKMAN
SEOUL (AP)—A young Polish interpreter who bolted from Communist control and was given U.S. sanctuary said today his people some day will rise in revolt against the Reds "but now is not the time."

Jan Hajdukiewicz, 28, told a news conference the Communist rulers of his homeland could not be overthrown "without outside help" even though 99 per cent of the Polish people oppose the Red regime.

Hajdukiewicz was a civilian interpreter for Polish members of the neutral nations inspection commission supervising the Korean truce. Yesterday he asked U.S. Col. Harold T. Babb for political asylum as a plane to carry him back to North Korea warmed up at Kangnung Air Base in East Korea.

Charge "Kidnaping"
His request was granted and he was quickly taken to a place of safety.

"We had to get that guy out of there in a hell of a hurry," said one U.S. officer.

Only an hour before the balding young Pole met newsmen in Seoul a Communist official at Panmunjom charged that he had been "kidnaped" by the U.S. Army.

The Polish delegate to the Neutral Nations Supervisory Commission did not demand the return of Hajdukiewicz but said a strong protest would be lodged.

Last Chance
Hajdukiewicz, wearing green U.S. Army dungarees, told his news conference he made his dramatic break because "I knew it was my last chance."

He said he believes his escape will encourage others in Poland. "The Polish government is based on fear," he said. "I didn't want to return to my country which has been subjugated by the Communist regime. I should like to go to the United States of America."

Location Undisclosed
He described communism as "the subjugation of all life." After the news conference Hajdukiewicz was accompanied by

ARREST THREE NEWSMEN FOR PHOTO IN COURT

CLEVELAND (AP)—Common Pleas Judge Joseph H. Silbert late yesterday convicted three members of the Cleveland Press' editorial staff of contempt of court for a picture taken in the judge's courtroom. Their attorneys announced they would appeal.

City Editor Louis Clifford was fined \$500 and costs and ordered held in the custody of the sheriff for one hour. Reporter Sam Gialmo was fined \$100 and costs. Photographer James Thomas was fined \$100, suspended.

However, the sentences were stayed after Atty. Gen. J. Edwards general counsel for the Scripps-Howard Newspapers, announced he would file a notice of appeal. The newsmen were released on bond.

Snapped Ex-Judge
At issue was the taking of a photograph of Former Probate Judge Nelson J. Brewer as he was arraigned last Aug. 20 on a charge of embezzlement. Brewer pleaded innocent.

Judge Silbert contended he had told reporter Gialmo on the preceding afternoon no pictures would be allowed. He said he informed Gialmo and another reporter this was because of a section in the Canon of Ethics of the American

U.S. officers to an undisclosed site, presumably in the Seoul area. He probably will be flown to Tokyo in a day or two, but army officials said they had no information on this.

State Department officials in Washington said the circumstances were unusual but it is U.S. policy to grant political asylum to persons honestly at odds with communism.

THE JUNK RETURNS TO INCHON—A Korean junk sails peacefully inside Inchon harbor, now deserted by the warships which crowded the waters during the Korean War.

Bar Association, stating that courtroom pictures should not be permitted.

Edwards argued Silbert's order had no legal effect because it was not a part of the Court Journal, and that "a court can speak only through a journal."

Not Binding On Press
He also contended that there was no obstruction of justice in a "mere click of the camera." He said the Canon of Ethics was not binding on the press, and asserted that the judges of the Cuyahoga County Common Pleas Court, as a group, had discussed the canon at a meeting earlier in the year, but had failed to adopt it.

John J. Mahon, assistant county prosecutor, argued that there had been "since last May" a rule in Judge Silbert's court that no courtroom pictures would be allowed. He declared it "was a reasonable order and a reasonable rule." He said it was not necessary for the court to publish a rule in order to regulate conduct in a courtroom.

NSC IN FAVOR OF MILLIONS MORE TO AID FRENCH

WASHINGTON (AP)—The National Security Council was reported today to have recommended that France be given several hundred million more American dollars to back a new drive to end the bloody Indochina war.

The American funds would enable France to transfer nine battalions of troops from Europe to Indochina to lead a new campaign against the Communist-led guerrillas.

Highly placed officials who reported this said the security council, the government's top policymaking body, decided on this move yesterday at a review of the Indochina war.

See No Alternative
President Eisenhower is expected to approve the recommendation after discussing it with key congressional leaders to determine how to scrape up the money.

Maryland Is Late With Celebration

ANNAPOLIS, Md. (AP)—With mumbled apologies Maryland is getting around to officially observing the 500th anniversary of Italian artist Leonardo da Vinci... one year late.

Gov. Theodore McKeldin yesterday proclaimed Oct. 11-17 as Leonardo da Vinci Appreciation Week in Maryland.

He explained that "war and related distractions" caused the overlooking of the observance in 1952.

The Eisenhower military and foreign policy leaders are reported convinced the United States has no alternative but to back the new French-Indochina program if it wants to keep this strategic Southeast Asia nation out of Communist hands.

French Have New Plan
Communist-led rebels, supplied by Red China, already have conquered large areas of Indochina during an eight-year campaign and have tied up more than 350,000 French and loyal Indochinese troops.

The new French plan for winding up the conflict was put forward by the government headed by Premier Joseph Laniel. Its author is Gen. Henri Navarre, who drafted it after a visit to the battlefield.

The offer to move nine battalions of French troops to Indochina to reinforce units already there is reported to be the principal feature of this new strategy.

May Have More Time Than Money To Spend

HOUSTON, Tex. (AP)—John H. Hernandez apparently has more time than money.

Admitting a marijuana charge to Federal Judge Allen B. Hannay, Hernandez hardly batted an eye when told of his five-year sentence in prison yesterday.

He flinched when told of his \$10 fine, however, and swung around with a worried look on his face.

THE RIGHT TO LOITER

HOUSTON, Tex. (AP)—A man of 84 years "has a right to loiter," Mayor Roy Hofheinz exclaimed yesterday.

Hearing the appeal of an 84-year-old man arrested Monday in a pool hall, the mayor volunteered to pass a hat around and take up collection should a fine be levied against him.

The Tower of London was built in 1078 by William the Conqueror.

Nebraska Woman Has 9-Foot Barber Pole

PAPILLION, Neb. (AP)—Mrs. Matilda Cain, one of a dozen licensed lady barbers in Nebraska, claims the "biggest" barber pole known.

In front of her shop in this village of 1,034 persons, she has painted the traditional red, white and blue spiral stripes on a maple tree more than nine feet in circumference.

Relatives Of Five Marines Given Posthumous Medals

WASHINGTON (AP)—Relatives of five Marines who died heroes in Korea came Wednesday to Washington to receive from Vice President Nixon Medals of Honor awarded the men for their valor.

The Marine Corps commandant, Gen. Lemuel C. Shepherd, invited to the ceremony at Marine barracks here, retired Army Gen. Lucius D. Clay, former Allied commander in Germany and a friend of 2nd Lt. Sherrod Emerson Skinner of East Lansing, Mich., one of the five men to receive the posthumous award, the highest decoration of the nation.

Skinner was a forward artillery observer. In the action which brought his death he was wounded twice as he left a bunker to direct the fire of his men. Ammunition ran out and the enemy started to

several wounded Marines on a stretcher, he was killed by a sniper's bullet.

S. Sgt. Lewis G. Watkins of Seneca, S. C., led an attack to retake an outpost the Reds had captured. He was wounded, but kept going. The position was retaken, but as the Marines huddled in the trench a grenade was tossed in. Watkins picked up the grenade, turned to shield it with his body from his men, attempted to toss it away. But it exploded, killing him.

Charged Machine Gun Nests

Pfc. John D. Kelly of Homestead, Pa., was serving as a radio operator when his platoon was pinned down by enemy fire. He turned over his transmitter to another man, grabbed a gun and twice charged and wiped out enemy machine gun nests. But his single-handed attack on a third position brought a mortal wound.

Pvt. Jack William Kelso, Fresno, Calif., was in an outpost when an overwhelming enemy force attacked. The platoon leader fell.

Kelso took over command, reorganized the platoon. A Red threw a grenade into the trench. Kelso stood up in the face of heavy fire to seize the grenade and attempt to hurl it from the trench. It blew up in his hand, badly injuring him. But he stood on his feet and fired at the enemy until his comrades could withdraw. He died.

BERLIN (AP)—The U. S. High Commission newspaper reported Wednesday an East Berlin housewife had killed a Communist policeman with a two-pound can of lard from the Western food parcel he was trying to take away from her.

The newspaper said the enraged housewife fractured the cop's skull when he tried to grab her parcel at the Babelsberg station, in the Russian zone just outside of West Berlin.

The Yorubas were the most advanced tribe, socially and politically, when Europeans first went to Nigeria.

**Can't Find Lawyer
For Red Defendant**

PHILADELPHIA (AP)—A fifth attempt to arraign nine accused Communist leaders will be made next Monday.

That was the new date set on Tuesday by U. S. District Judge Alan K. Grim after he postponed arraignment for the fourth consecutive time because all but one of the defendants have been unable to obtain counsel.

All of the defendants are at liberty in bail ranging from \$10,000 to \$20,000.

Judge Grim said the Philadelphia Bar Assn. is working to find counsel for the accused men.

TOKYO (AP)—Thirty-five former prisoners of the Communists, 34 of them Americans, left for the United States Wednesday, the Army announced. The plane will land at Travis Air Force Base, Calif., after a stop at Honolulu.

422 AMERICANS ARE HOME FROM IMPRISONMENT

SAN FRANCISCO (AP) — Another 422 American repatriates returned home yesterday from long imprisonments in Communist prison stockades in Korea.

Several hundred relatives and friends cheered their arrival on the Navy transport Gen. John Pope—fifth repatriation ship to dock at Ft. Mason in the past two weeks.

The Marine Phoenix, carrying 374 more ex-prisoners, is slated to dock Sunday, the Military Sea Transport Service said.

Two Are Beaten

Yesterday's returnees said at least two so-called "progressives"—Americans whom fellow prisoners said cooperated with the Communists in prison camp—were beaten aboard the Pope.

Cpl. Harold W. Beerbower of Saegertown, Pa., said about 10 "pros" were aboard the Pope and they were segregated after the beatings, which occurred the first day out of Inchon, Korea.

His account was supported by Pte. Thomas M. Caroland Jr. of Cedar Hill, Tenn.

Caroland said one of the beaten men was "just a jerk who was afraid," but he called the other "a real rat who spied for the Reds and got several Americans tortured."

Queen Narriman Sues For Divorce

CAIRO, Egypt (AP) — Former Queen Narriman has filed suit for divorce and asked \$14,350 a month alimony from ex-king Farouk, 33.

She "has no plans so far" to claim the custody of their 19-month-old son, her lawyer, Sheikh Muharram Fahim, said yesterday. He said Narriman charged adultery, maltreatment, mental cruelty and estrangement.

Farouk is living near Rome with his son. Nineteen-year-old Narriman fled Egypt with him but returned last March and since has lived quietly with her mother in Heliopolis, a Cairo suburb.

Hurricane Roars Out Of Atlantic

MIAMI, Fla. (AP) — A tropical hurricane with winds up to 100 miles per hour boiled up in the Atlantic today, posing a threat to the Bahamas Islands and the Florida coast.

The new-born hurricane, fourth of the season, was churning toward the northwest or north-northwest at about six miles per hour.

At 5 a. m., EST, today, it was centered about 160 miles northwest of Turks Island.

The storm was expected to increase in size and strength, with continued slow movement along a northwesterly path.

Hold Yanks For China Recognition

TOKYO (AP)—Maj. David F. MacGhee of Tampa, Fla., said today

he heard while in Communist captivity that the Reds plan to intern 22 American fliers in Manchuria "until the United States recognizes (Red) China."

The 34-year-old Floridian, who spent nearly three years in Red stockades, said at a news conference at Tokyo Army Hospital the information came from a Chinese

Communist who had proved "extremely reliable in other instances." MacGhee said the Chinese told him the purpose of holding back

the 22 Americans was to force the United States to negotiate with Red China through diplomatic channels, thereby establishing recognition of the Communist regime.

FINE DECLARES FLOOD CONTROL AIDS INDUSTRY

EMPORIUM, Pa. (AP)—Gov. John S. Fine says he believes construction of large-scale flood control projects will help bring new industries to Pennsylvania.

"Industries will not come to a state where the threat of flood damage exists," Fine said in an address yesterday as he officially opened construction of the new 10 million dollar Sinnemahoning Dam.

The dam, to be constructed 30 miles southeast of here on the first fork of the Sinnemahoning Creek, is designed to ease flood conditions on the West Branch of the Susquehanna River. The creek is a main tributary of the Susquehanna.

"This dam will help bring financial security to the West Branch Valley when industry sees that something is being done about flood control," Fine told about 250 legislators, state officials and civic leaders at the dam site.

First Without U. S. Funds

Fine said the construction of the dam and reservoir is the first such project ever undertaken by a state without federal funds. The General State Authority—borrow-and-build agency for the commonwealth—is financing the project.

Fine used a chromium-plated spade to turn over the first ground from the dam which is expected to be completed by the end of 1955. A contract for \$6,720,570 already has been awarded with another 3½ millions needed for road relocations, acquiring land and architects' fees.

There have been 11 major floods along the West Branch since 1900 and the Sinnemahoning Dam is part of an overall project to end recurring floods. The state undertook the construction when the federal government withdrew. Three other dams are included in the overall plans.

Personal Interest

Fine told a luncheon group in Lock Haven prior to the ceremonies he took "a personal interest in obtaining some measure of flood control for the West Branch system" after receiving "an impressive and big lesson" in what has happened in previous floods.

He said he agreed with State Sen. George B. Stevenson (R-Clinton) that part of the money to pay for the dam should come from royalties and lease fees of state-owned land in Clinton and Cameron counties where natural gas is produced.

"It is most fitting that something produced in the region should help to pay or offset the cost of the first fork dam," Fine said.

She got a tag anyhow. It was signed by Floyd Minnick, her husband. Mrs. Minnick paid her fine.

Happy Is The Day When Backache Goes Away . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slowing down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. STATE BEAUTY GAINS POINTS IN SWIM SUIT

ATLANTIC CITY, N. J. (AP)—A Southern belle who can sing and a Pennsylvania lass who's a knockout in a white bathing suit led the field of beauties today in the race for the Miss America 1954 title.

Miss Virginia, 22-year-old Anne Lee Cegils of Norfolk, and Miss Pennsylvania, Evelyn Margaret Ay, 20, of Ephrata, won preliminary contests last night before an enthusiastic crowd of 5,600 in Convention Hall.

Her rendition of "O Mio Bambino Caro" from a Puccini opera gave the green-eyed, brown-haired Miss Virginia the nod over 16 other girls in the talent division test.

Miss Pennsylvania, clad in a one-

piece white swim suit, won out over 17 others in the bathing suit elimination. Also green-eyed, but with ash blonde hair, she stands 5 feet 8 inches tall, weighs 132 pounds, has a 37-inch bust and a 24-inch waist.

These preliminary triumphs netted the girls much coveted points toward the Miss America crown, which will be awarded to the grand winner Saturday night.

All 52 contestants compete in four divisions—talent, bathing suit, evening gown and personality. Preliminaries continue tonight and tomorrow night.

Winners of the evening gown preliminaries and the personality division are kept secret.

The points for personality are picked up at breakfast meetings with the 10 judges.

Camera News

By IRVING DESFOR
The Associated Press

FOR SOME YEARS now I've known Ed and Barbara Evans as a likeable young couple steeped in photography, whose home was more workshop than living quarters. In time, Ed's home-grown specialty and perfection in making his own color prints developed into a career. It turned his garage and basement into a color laboratory now employing ten people and producing the finest dye transfer and carbo color prints for national magazines and New York's top advertising agencies and commercial photo studios.

Some months ago we sat in his living room and admired the pictures on the wall—an original water color, a lithograph, an oil, a Japanese silk screen painting and one of his own color prints. Hanging elsewhere were other framed color photographs taken by other photographers. They made attractive decorations and soon Ed Evans was

launched on a favorite topic.

"PHOTOGRAPHY," he said "is as capable of artistic merit as painting, lithography or sculpture. A camera is a tool just as much as a brush or crayon or chisel. An original photograph has a place in the home for appreciation and decoration just as the products of the other mediums. Given the right subject matter and proper technical execution in the final print, you can live with—and enjoy—a color photograph as you can other art work."

Of course, Ed's conviction has been shared by many people for many years but there has been no general public acceptance of this idea to date. There are many instances and places where photographs have been offered for sale but it is hardly national in scope nor sustained in effort. Because photography itself is a comparatively new art form—compared to painting and sculpture, public acceptance is a matter of more time and recognition.

Today I've just come from an-

other visit to Evans' home in Forest Hills, New York, and found him knee deep in a new venture soon to be announced. He was surrounded by hundreds of original dye transfer color prints, each measuring 16" by 20" and each signed personally by the photographer who snapped it.

Ed had taken some of the color photos which had been admired on his walls and was preparing to offer them to a national public.

"When tradesmen making deliveries stop to admire a photo and ask where they, too, could buy one like it," he explained, "I decided it was time to do something about it."

KNOWING that the normal price of a dye transfer print from the Evans' Color Lab was \$150, the next question was whether the price could be reduced by making a quantity of prints from the original set of separation negatives. It could.

"We figured we could get it down to \$25 which is certainly comparable to any original artwork.

Out of that each photographer would get a royalty for each print sold," he added.

The basis of picking subject matter was personal and instinctive with Ed. He avoided too typical calendar type color pictures. Of the six selected, only one is his own, an autumn scene splashed with bright colors and an outdoor feeling. Two pictures have a more peaceful mood: a winter sunset and harbor tugboats at dusk. There's a still life, a close-up of a weathered lantern on an old barn. The final two are exercises in color for decorative purposes by Jeannette Klute, whose manipulation of the color process while doing research work for Eastman Kodak is called "Derivations."

If Evans' hunch is right and his selection of what the public likes is correct, photography will benefit, and a new source of income for many photographers will have started.

Boy Mows Lawn To Repay Honesty

TOLEDO, Ohio (AP)—Robert Radkiewicz, 11-year-old newsboy, is mowing Mrs. L. J. Richardson's lawn free these days. Young Radkiewicz was collecting along his route the other evening, eating a candy bar in between collections. At the end of his route, he found \$20 missing. Mrs. Richardson found the money crumpled inside an old candy wrapper. She read of the boy's loss in a newspaper and returned the money. She refused to accept a reward, so the newsboy is mowing her lawn without charge.

3 WOUNDED IN WILD GUN DUEL IN RIVER TUNNEL

NEW YORK (AP)—A wild gun duel and car chase in the Lincoln Tunnel, with whining bullets threatening passing motorists, ended Tuesday with two bandits and a policeman wounded.

Both gunmen surrendered near the New York exit of the mile and a half long tunnel under the Hudson River. Police said they had been fleeing an unsuccessful hold-up earlier in South Orange, N. J. They were identified as John Metcalf, 34, and Peter Simon, 35, both of Miami, Fla. Simon, shot through the head, was reported in very critical condition in St. Vincent's Hospital.

The gun battle began at the Weehawken, N. J., approach to the tunnel, where police spotted the license of a wanted car and tried to halt the pair.

Commander Truck
Guns blazing, the two men raced into the tunnel. Two tunnel policemen commandeered a small delivery truck, jumped on the running boards, and the chase was on.

The unidentified Negro truck driver was credited by police as a hero. "He deserves a medal," they said. The truck driver left before anyone learned his name.

The tunnel patrolmen on the running boards, Thomas Gannon and Robert Merz, held their fire because of the traffic flowing through the tunnel towards Manhattan.

But the gunmen spotted their pursuers and opened fire on the truck.

Patrolman Eugene Miles commandeered another vehicle and also followed, but he was farther behind.

Police alone fired about 18 shots in the battle. Gannon and Merz shattered windows of the getaway car and hit its body.

Suddenly Simon slumped down in the front seat, critically wounded. Metcalf, who was driving, stopped the car. There were no more bullets in Gannon's and Merz's guns.

Metcalf, slightly injured in the back of the head, gave himself up meekly. "I've got no gun, I'm not armed," he told the policemen.

Police said they found two guns and ammunition in the car. They said the car was stolen. But Metcalf said Simon owned it.

Metcalf and Simon were booked by telephone on charges of felonious assault and robbery. Taken to Bellevue Hospital, Metcalf reportedly demanded:

"I want to make a complaint. The Port Authority beat me and I want a lawyer."

The tunnel is operated by the Port of New York authority. The patrolmen involved in the capture work for the Port Authority and not the city.

The gunmen were accused of an

attempted holdup before noon on the South Orange, N. J., home of advertising executive Joseph Pinkus.

Pinkus was not home, but his mother-in-law, Mrs. Nancy Tavan,

screamed and struggled. Her 3-year-old granddaughter joined in the screaming, and the bandits fled without loot.

The shouts attracted a passing motorist who jotted down the li-

cense of the bandits' car, for which a police alarm was broadcast.

It was less than an hour later that the car was spotted at the Lincoln Tunnel approach. Patrolman Edwin Woodson shouted a com-

mand for the car to halt. When the pair refused, Woodson drew his gun. He said Simon leaned from the car window and fired twice in his face.

"I don't know how he ever

missed me. He was only three feet away," Woodson said.

Woodson fired six shots at the car. Patrolman Donald Loomund also traded some shots with the bandits. He was nicked in the leg.

The chase through the tunnel followed.

Traffic was halted at the Jersey end of the tunnel.

316 KEYSTONE SOLDIERS ARE STILL MISSING

PHILADELPHIA (AP)—At least 316 Pennsylvania men are still missing and unaccounted for in Korea.

Only two of that total, however, were reported taken as prisoners of war. A third man was reported by the Communists to have been killed, but later wrote to his parents he had been taken prisoner.

Holding back prisoners has become a crucial issue at peace negotiations in Korea. The United Nations Command insisted yesterday the Reds must account for 944 Americans believed to have been prisoners at one time.

The Defense Department will start publishing the list tomorrow.

Few, however, of the 316 men reported unaccounted for in an Associated Press survey will be on that list, since only names of men believed to have been taken prisoner are included.

Nine In York County
Thirty-one of the state's 67 counties reported names in the survey. Philadelphia was high with 117. Here is a breakdown by counties in the Associated Press survey:

Allegheny 21, Bedford 4, Berks 7, Bucks 4, Cambria 6, Chester 7, Cumberland 1, Clearfield 5, Clinton 5, Crawford 5, Dauphin 2, Delaware 7, Elk 1, Indiana 5, Lackawanna 16, Lancaster 12, Lehigh 11, Luzerne 29, Monroe 1, Montgomery 14, Montour 5, Northampton 6, Northumberland 4, Philadelphia 117, Snyder 1, Somerset 1, Susquehanna 4, Union 2, Washington 1, Westmoreland 3 and York 9.

WILL PUBLISH LIST OF "LOST" YANKS FRIDAY

WASHINGTON (AP)—A faint spark of hope went out from the Pentagon today to the next of kin of 944 American servicemen whose whereabouts are unknown since their reported capture by the Reds in Korea.

The Defense Department list will be made public beginning tomorrow, 24 hours after telegrams are dispatched to the relatives of the men missing and unaccounted for. The list includes 610 from the Army, 312 from the Air Force, 19 from the Marines and 3 from the Navy. The Communists were asked yesterday to account for them.

The list of missing men was based on Communist propaganda reports, the word of their exchanged buddies, private letters and other sources.

The Communists have not reported that any of the men escaped or died in captivity.

EMBARGO IS LIFTED

HARRISBURG (AP)—Action against Motor Freight Express, Inc., York, was dropped yesterday by the Public Utility Commission after the firm lifted an embargo on shipments in and out of Pittsburgh.

The truck firm suspended its service to Pittsburgh on Aug. 26 because of what it termed congested terminals. Last week the PUC asked the firm to show why the embargo should not be lifted.

This year's movement of cattle is the biggest in the history of the Northern Territory because last year's drought prevented all droving.

PROBE STORY OF GI'S ESCAPE FROM POW CAMP

CAMP KILMER, N. J. (P) — A
soldier by the name of Plamfield, N. J.,
soldier about how he fled from the
Korean front, stole aboard an
Army transport and hitch-hiked
home from the West Coast was un-
der investigation by Army authori-
ties today.

The GI was identified as 21-year-
old Pvt. John J. Galasso, who gave
himself up here earlier this week.
Galasso was being held in custo-
dy here until his story could be
checked and verification obtained
from Korea.

Lost 40 Pounds

The soldier, he said, surrendered
Tuesday night and told officers
here that he escaped from a divi-
sion stockade near the front lines
in Korea eight days before the arm-
istice.

When he reached the East Kore-
an port of Inchon, Galasso said, he
paid an unidentified person \$250 to
get aboard an Army transport that
took him to San Francisco.

According to the young soldier's
father, Anthony, Pvt. Galasso
showed up unexpectedly last Thurs-
day night while the family was
having dinner.

"He had lost 40 pounds and I
knew something was wrong be-
cause he had no baggage," the father
said.
Pvt. Galasso said he was drafted
last Nov. 27, and went overseas in
June.
